

IT'S ABOUT THE KIDS

Students have been a priority for the Borrego Springs Community Concert Association since its founding in 1975. When it began, the Community Concert Association held concerts in the old multipurpose room at the high school. Students could attend at no charge.

Beginning in 1999, the Association began the tradition of adding a student outreach concert each season, which is held during the school day and attended by all the students. In 2005, the concerts were moved to the Borrego Springs Performing Arts Center. Since 2015, there have been three student programs each season: one for each of the schools (elementary school,

middle school and high school). The Association pays for the transportation costs to bus the students to the Performing Arts Center.

In 2017, in partnership with The Springs at Borrego RV Park, the Community Concert Association began offering an additional free concert to the community, with a performance for one of the school groups the following day. In the past three years, the Association has also provided an additional Americana-themed concert to one of the schools. The Association is actively engaged with the schools of Borrego to provide and enhance the cultural enrichment of students.

About the Borrego Springs Unified School District

We are champions in the classroom and on the field at Borrego Springs Unified! Our schools offer a safe, caring, and small community atmosphere. We have amazing resources and programs to prepare our students for their futures.

Our highly qualified staff loves educating every child and is excited to make an impact each day your student is here. We have great preschool and transitional kindergarten programs to give children quick starts to their education and then continue with a variety of technology, resources and career education opportunities to help them in their futures beyond 12th grade. We invite you to join our family and give us the chance to educate yours!
